Using the highly-acclaimed Augustine Institute programs *Symbolon and Forgiven: The Transforming Power of Confession*, *A Lent to Remember* explores the ways God reaches out to each of us with His mercy. Through Christ's suffering on the cross in the Paschal Mystery and His perpetual reception of His people in the Sacrament of Reconciliation, God makes His love, His very self, present to us in the world. From the Desk of Fr. Dooley

A leper came to Jesus and kneeling down begged him and said, "If you wish, you can make me clean" (Mark 1:40). A simple prayer uttered by the leper and Jesus takes notice of his sincerity. May we have the honesty and openness to hand over our struggles to Jesus. It is fitting that today is the World Day of the Sick. We pray for those who experiencing illness or an upcoming medical procedure. We also pray for our hospitals, doctors and nurses who provide guidance and care.

In my hometown of Zanesville, we had a Catholic hospital called Good Samaritan (now Genesis Hospital). Its beginnings were quite simple once the Franciscan Sisters arrived from Wisconsin. Their mission was to provide care for anyone who walked thru their doors. Pope Francis discussed the heritage and future of our Catholic institutes in his message for the World Day of the Sick in 2018. He states:

"The memory of this long history of service to the sick is cause for rejoicing on the part of the Christian community, and especially those presently engaged in this ministry. Yet we must look to the past above all to let it enrich us. We should learn the lesson it teaches us about the self-sacrificing generosity of many founders of institutes in the service of the infirm, the creativity, prompted by charity, of many initiatives undertaken over the centuries, and the commitment to scientific research as a means of offering innovative and reliable treatments to the sick. This legacy of the past helps us to build a better future, for example, by shielding Catholic hospitals from the business mentality that is seeking worldwide to turn health care into a profit-making enterprise, which ends up discarding the poor. Wise organization and charity demand that the sick person be respected in his or her dignity, and constantly kept at the center of the therapeutic process. This should likewise be the approach of Christians who work in public structures; through their service, they too are called to bear convincing witness to the Gospel."

As we celebrate our Sunday Mass today, the Sacrament of the Anointing of the Sick will be administered. Fr. Hahn will announce the following criteria for those who are eligible to receive the sacrament:

- (1) A person who is seriously sick – the sacrament may be repeated if the sick person recovers after being anointed and then again falls ill or if during the same illness the person's condition becomes more serious.
- (2) A sick person may be anointed before surgery when- ever a serious illness is the reason for the surgery.
- (3) Elderly people may be anointed if they have become notably weakened even though no serious illness is present.
- (4) Sick children may be anointed if they have sufficient use of reason to be strengthened by the sacrament.

Finally, Ash Wednesday is right around the corner! May we journey with Jesus in his Passion, Death, and Resurrection.

In Christ the Healer,
Fr. Dooley
